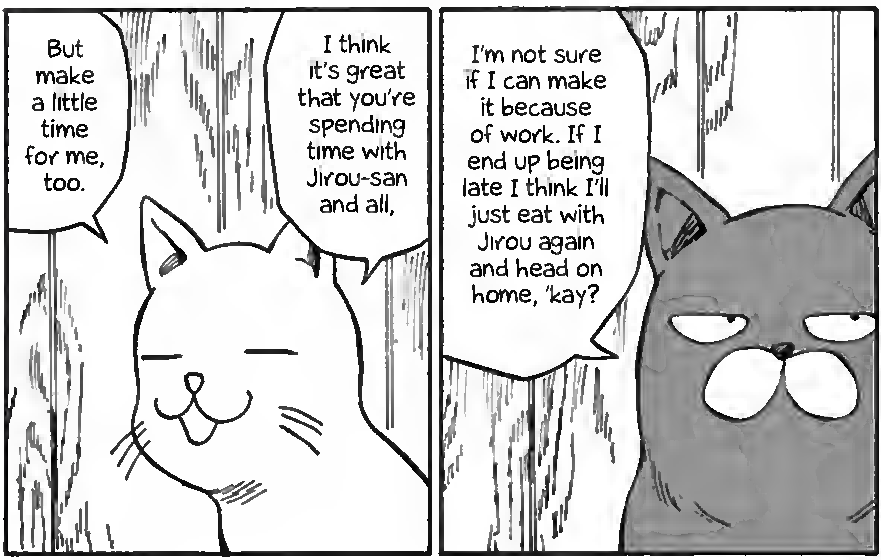
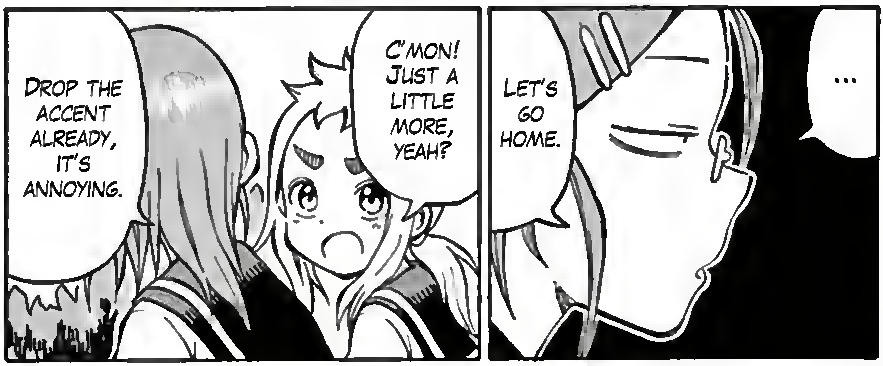
Chapter 13: Cats
Joanie-san, would you like to have dinner at my house tonight?

1



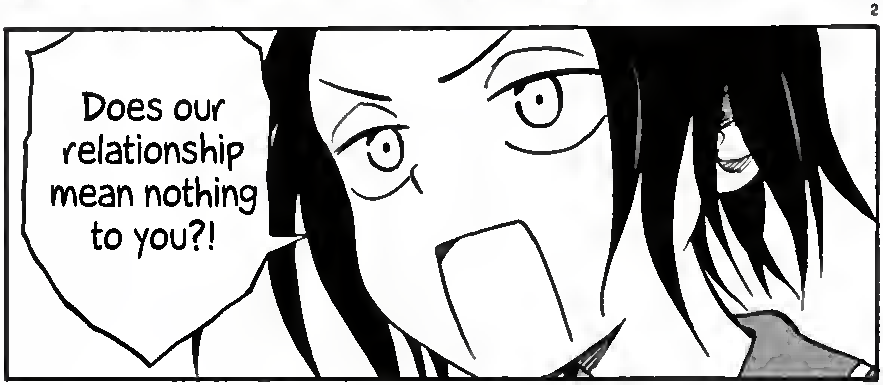
But make a little time for me, too.
I think it's great that you're spending time with Jirou-san and all,
I'm not sure if I can make it because of work. If I end up being late I think I'll just eat with Jirou again and head on home, 'kay?

I've been feeling really lonely lately.
I'm just busy with work, ya' know?



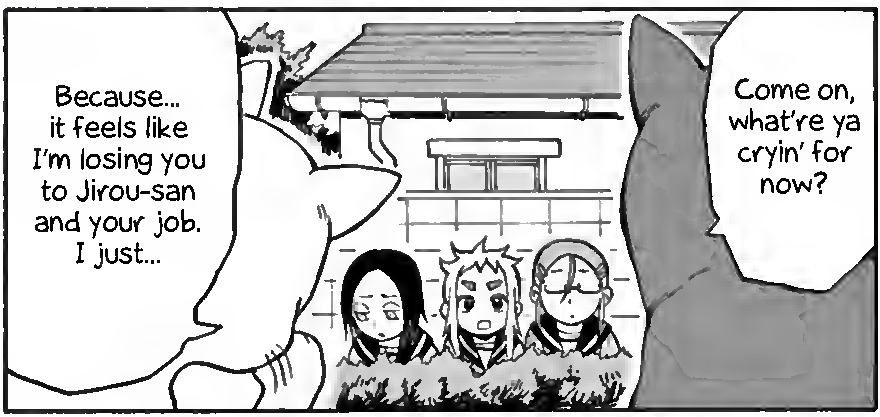
...
LET'S GO HOME.
C'MON! JUST A LITTLE MORE, YEAH?
DROP THE ACCENT ALREADY, IT'S ANNOYING.

2



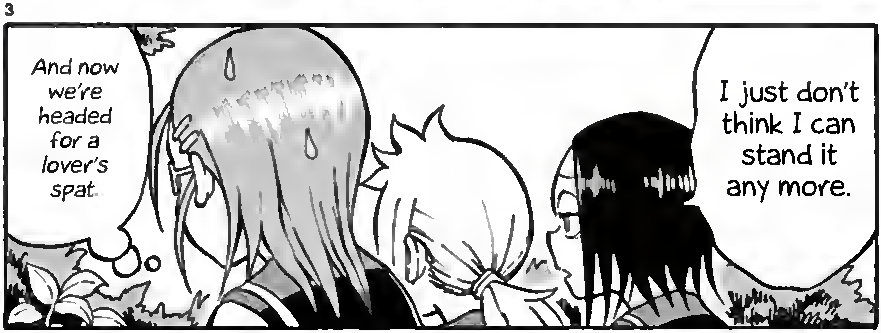
Does our relationship mean nothing to you?!

Wah... wah...
Ya must be gettin' pretty desper-ate.
You're starting to sound a lot like Hanako.



Because... it feels like I'm losing you to Jirou-san and your job. I just...
Come on, what're ya cryin' for now?

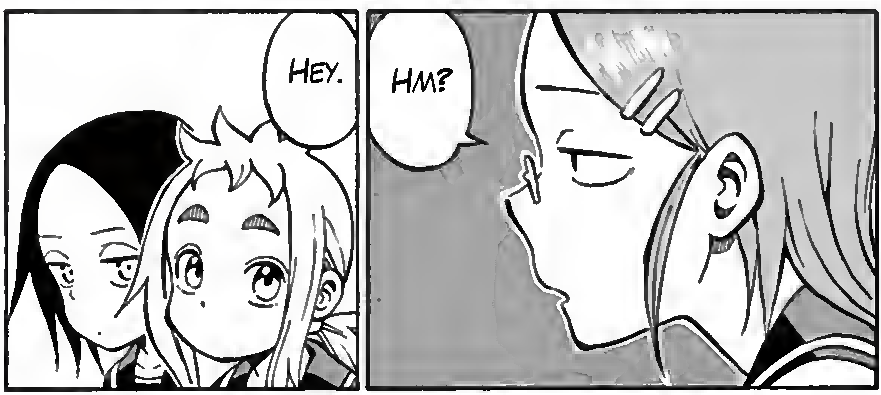
3



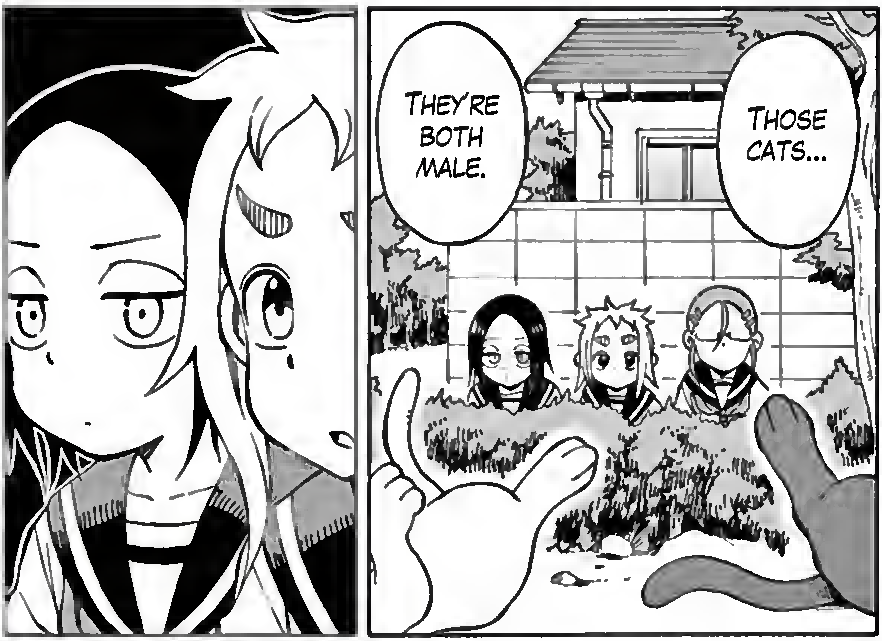
And now we're headed for a lover's spat.
I just don't think I can stand it any more.

ゴローン
That's horrible! How could you say that to me?
ハァ～～
Ah! You're such a pain!!
ゴローン
It's your own fault for acting like this! Don't blame me!

4

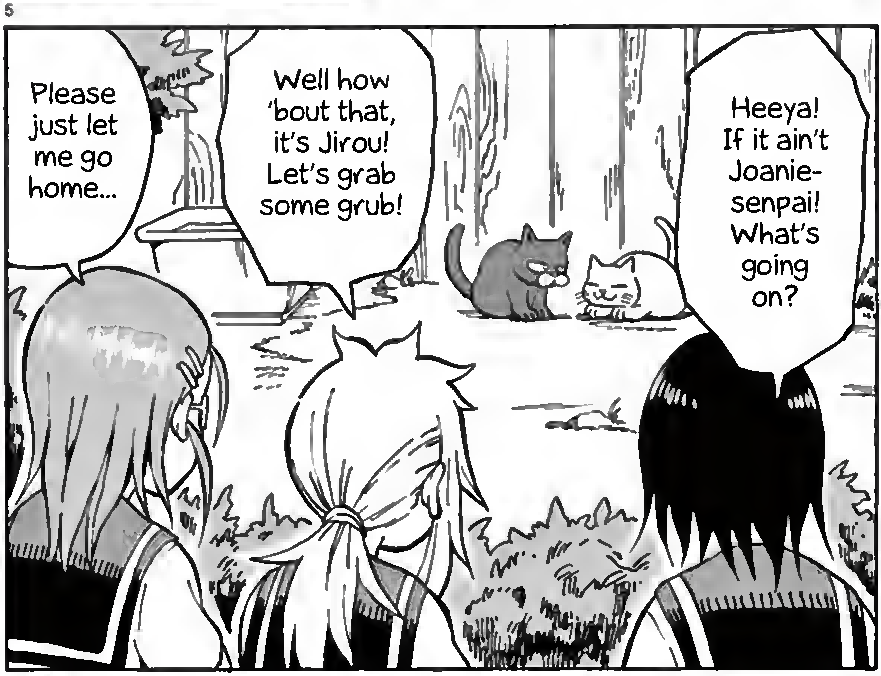


HEY.
HM?



THOSE CATS...
THEY'RE BOTH MALE.

5



Heeya! If it ain't Joanie-senpai! What's going on?
Well how 'bout that, it's Jirou! Let's grab some grub!
Please just let me go home...
